

Community Grant Guidelines

Mission Statement

The Rotary Club of Clovis is committed to providing service and support to community groups and activities. The following information describes the guidelines and procedures for the award of funds by the club.

Applications

Submit your completed form by mail or email to the Community Grants Committee of the Rotary Club of Clovis. The submittal address and e-mail are on the last page of the application.

Selection Process

1. The Community Grants Committee is composed of five members of the Rotary Club of Clovis, with at least one member serving also on the Board of Directors.
2. The Committee reviews all requests and makes recommendations for funding to the Board of Directors.
3. The Board acts upon the Committee's recommendations at its regular monthly meetings. The Board reserves the right to act on an emergency request at other times.

Guidelines for Grant Awards

The following guidelines are used by the Committee in making recommendations to the Board of Directors:

1. The grant will benefit Clovis Community preferably or at least focus on the Fresno Metropolitan area.
2. The grant will benefit as large a number of people as possible.
3. The grant will support a specific project or activity instead of being a part of the general operating funds of the applicant.
4. The applicant is not receiving a high level of support from the United Way or other funding source for the request.
5. The applicant is providing some of the resources necessary for the project or activity.
6. The request will not discriminate based upon race, creed, color, sex, or religious affiliation.
7. The request will provide visibility by the community to the efforts of the Rotary Club of Clovis.

Recipient Commitment

1. The recipient makes the commitment to provide a follow-up report to the Rotary Club of Clovis within a reasonable time period after a grant award.
2. The recipient makes the commitment to provide a "thank you" video showcasing their project and the impact of the Rotary Club of Clovis Community Grant. The recipient gives the Rotary Club of Clovis the right to use the video in any way they choose. Rotary Club of Clovis considers its request for a video a requirement. Failure to provide the requested video in a timely manner will result in the recipient being deemed "not in good standing" and ineligible for any future transactional relationship.
3. The recipient agrees to return all grant funds awarded, if not used on the project as specified on the application within one year.
